Dennis the Menace

TM

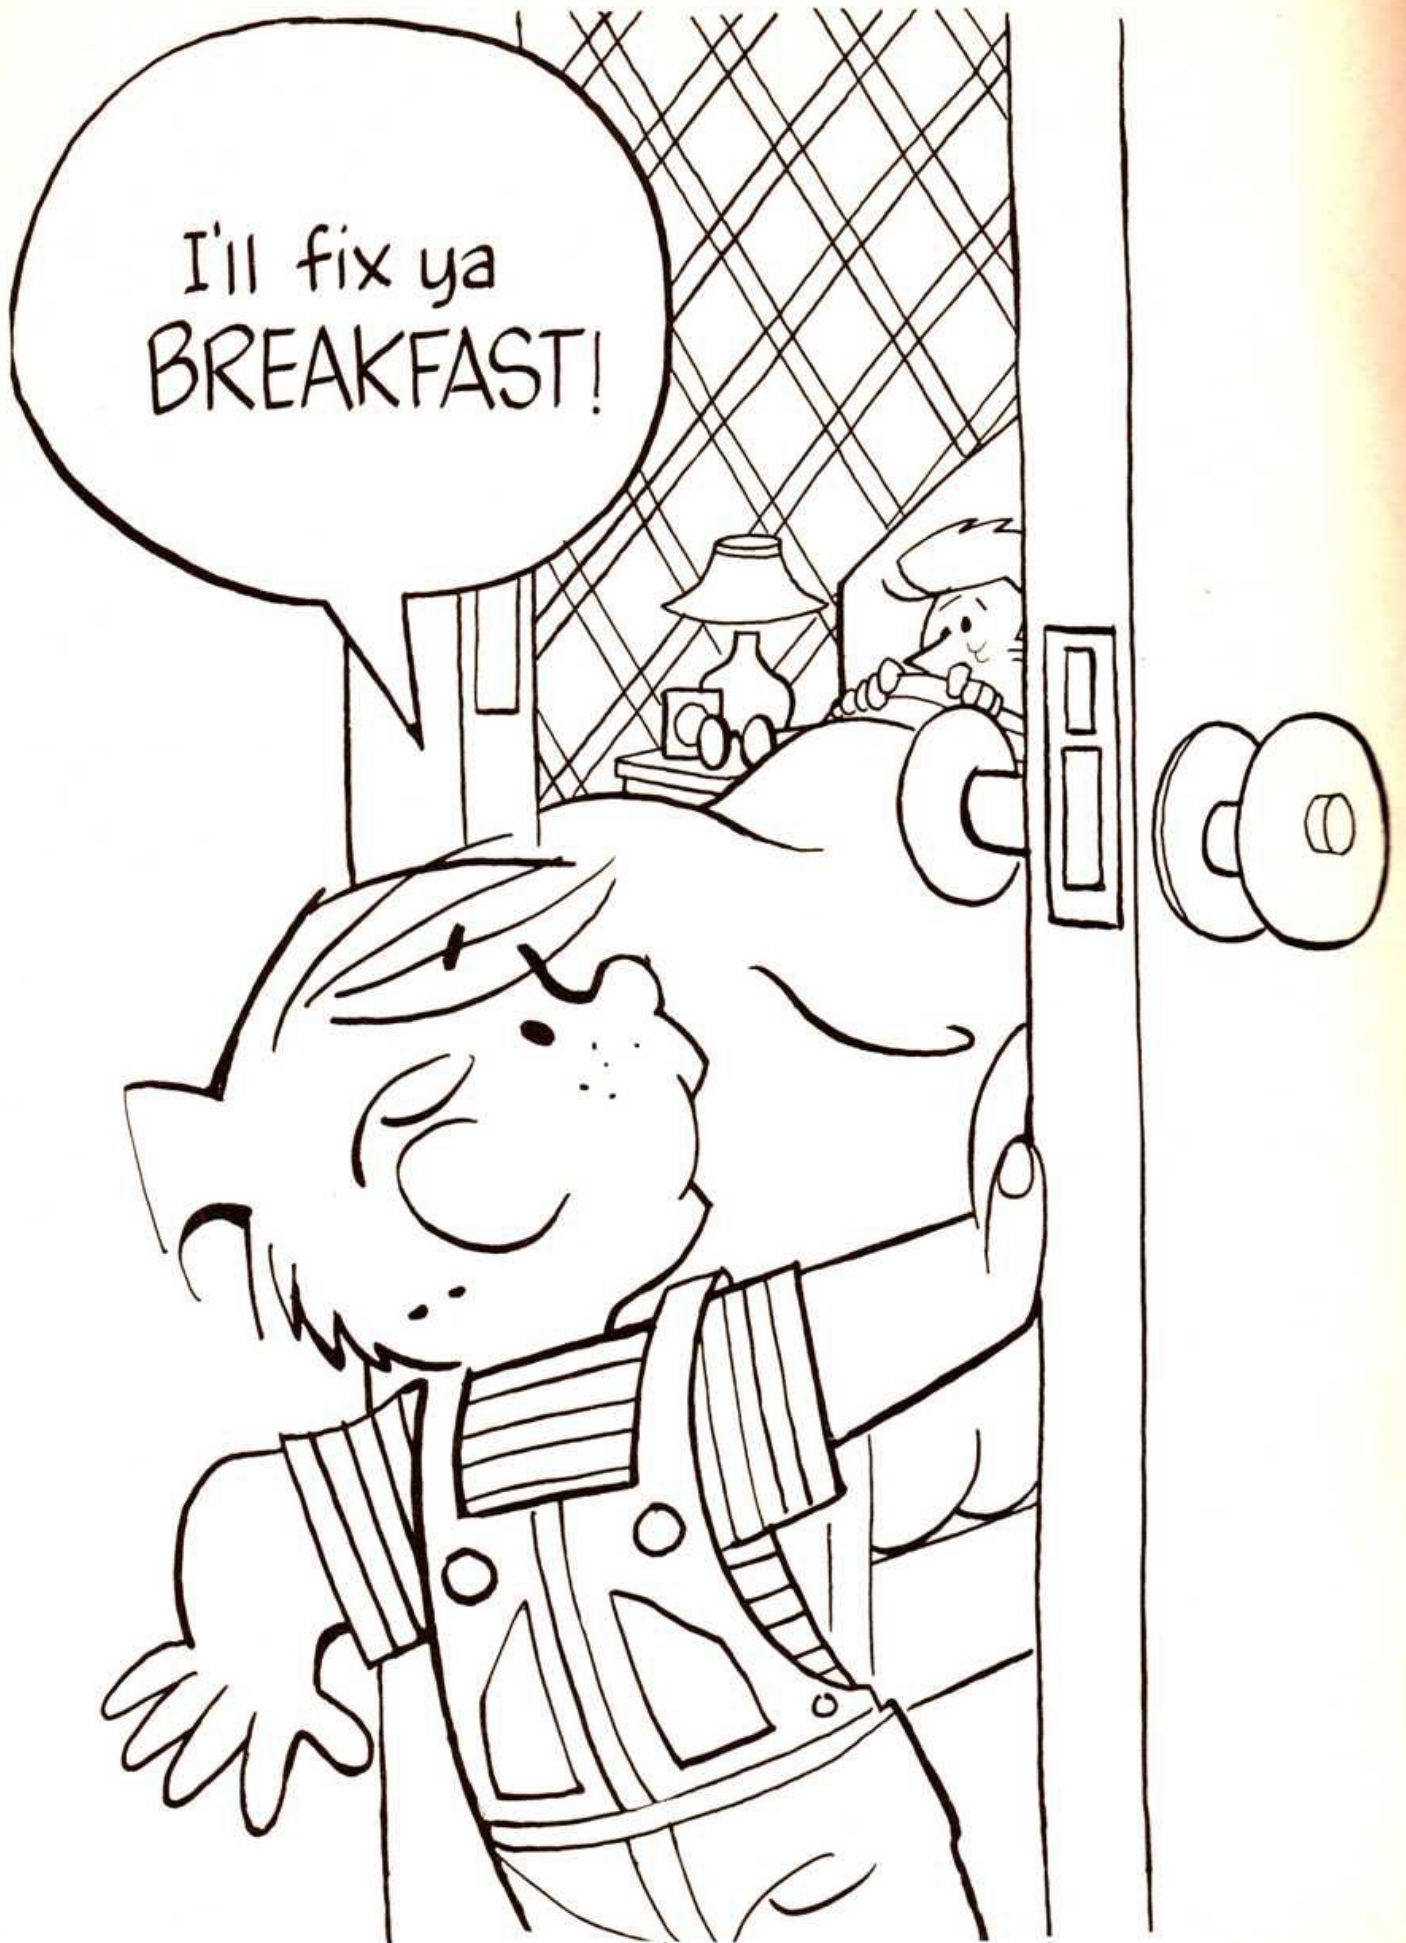

Alice leaves for the day.

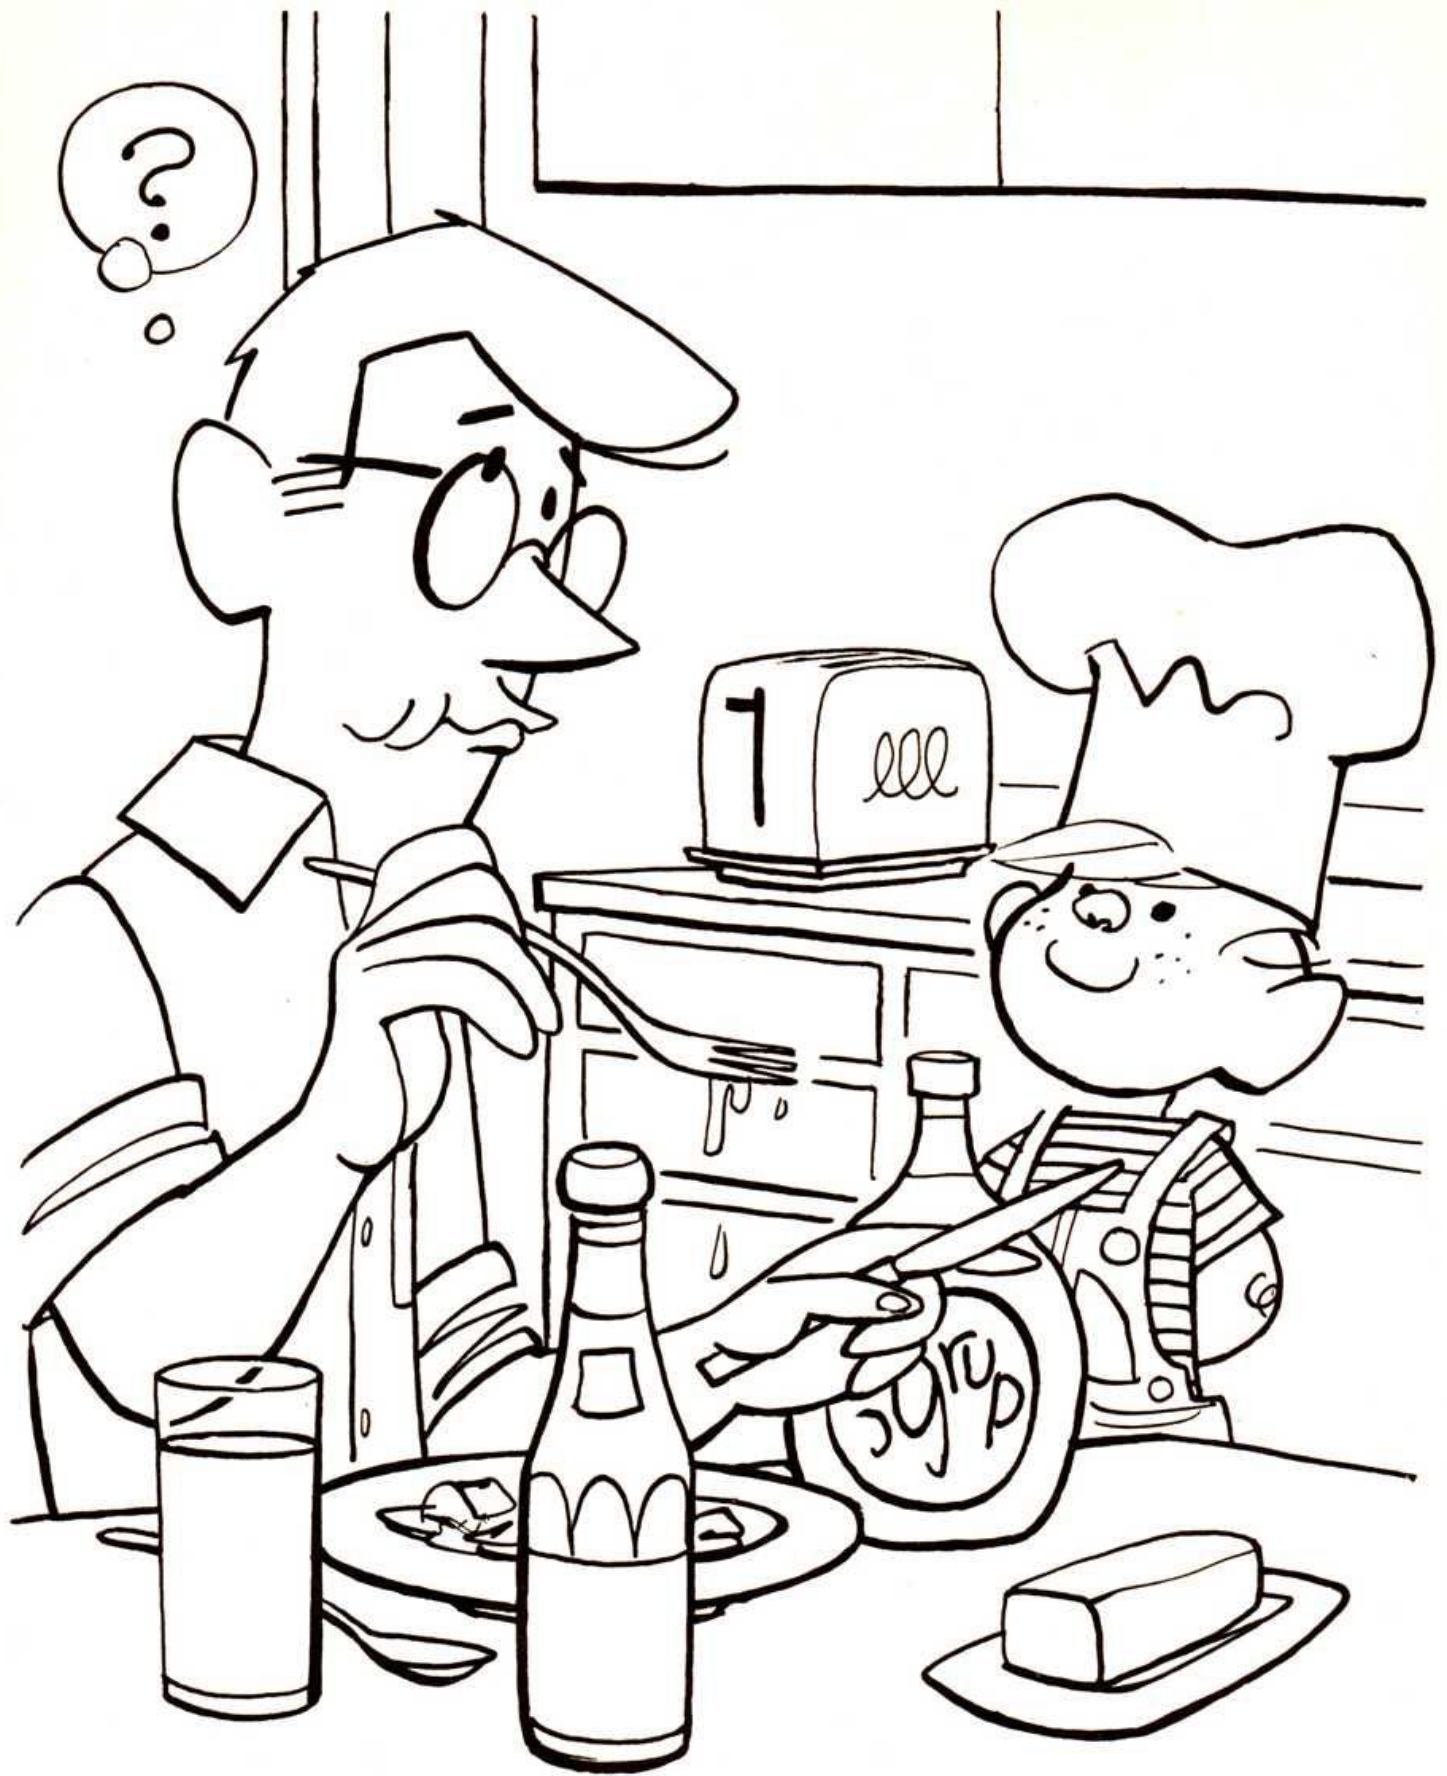

What are
we gonna do
first, Dad?

I'll fix ya
BREAKFAST!

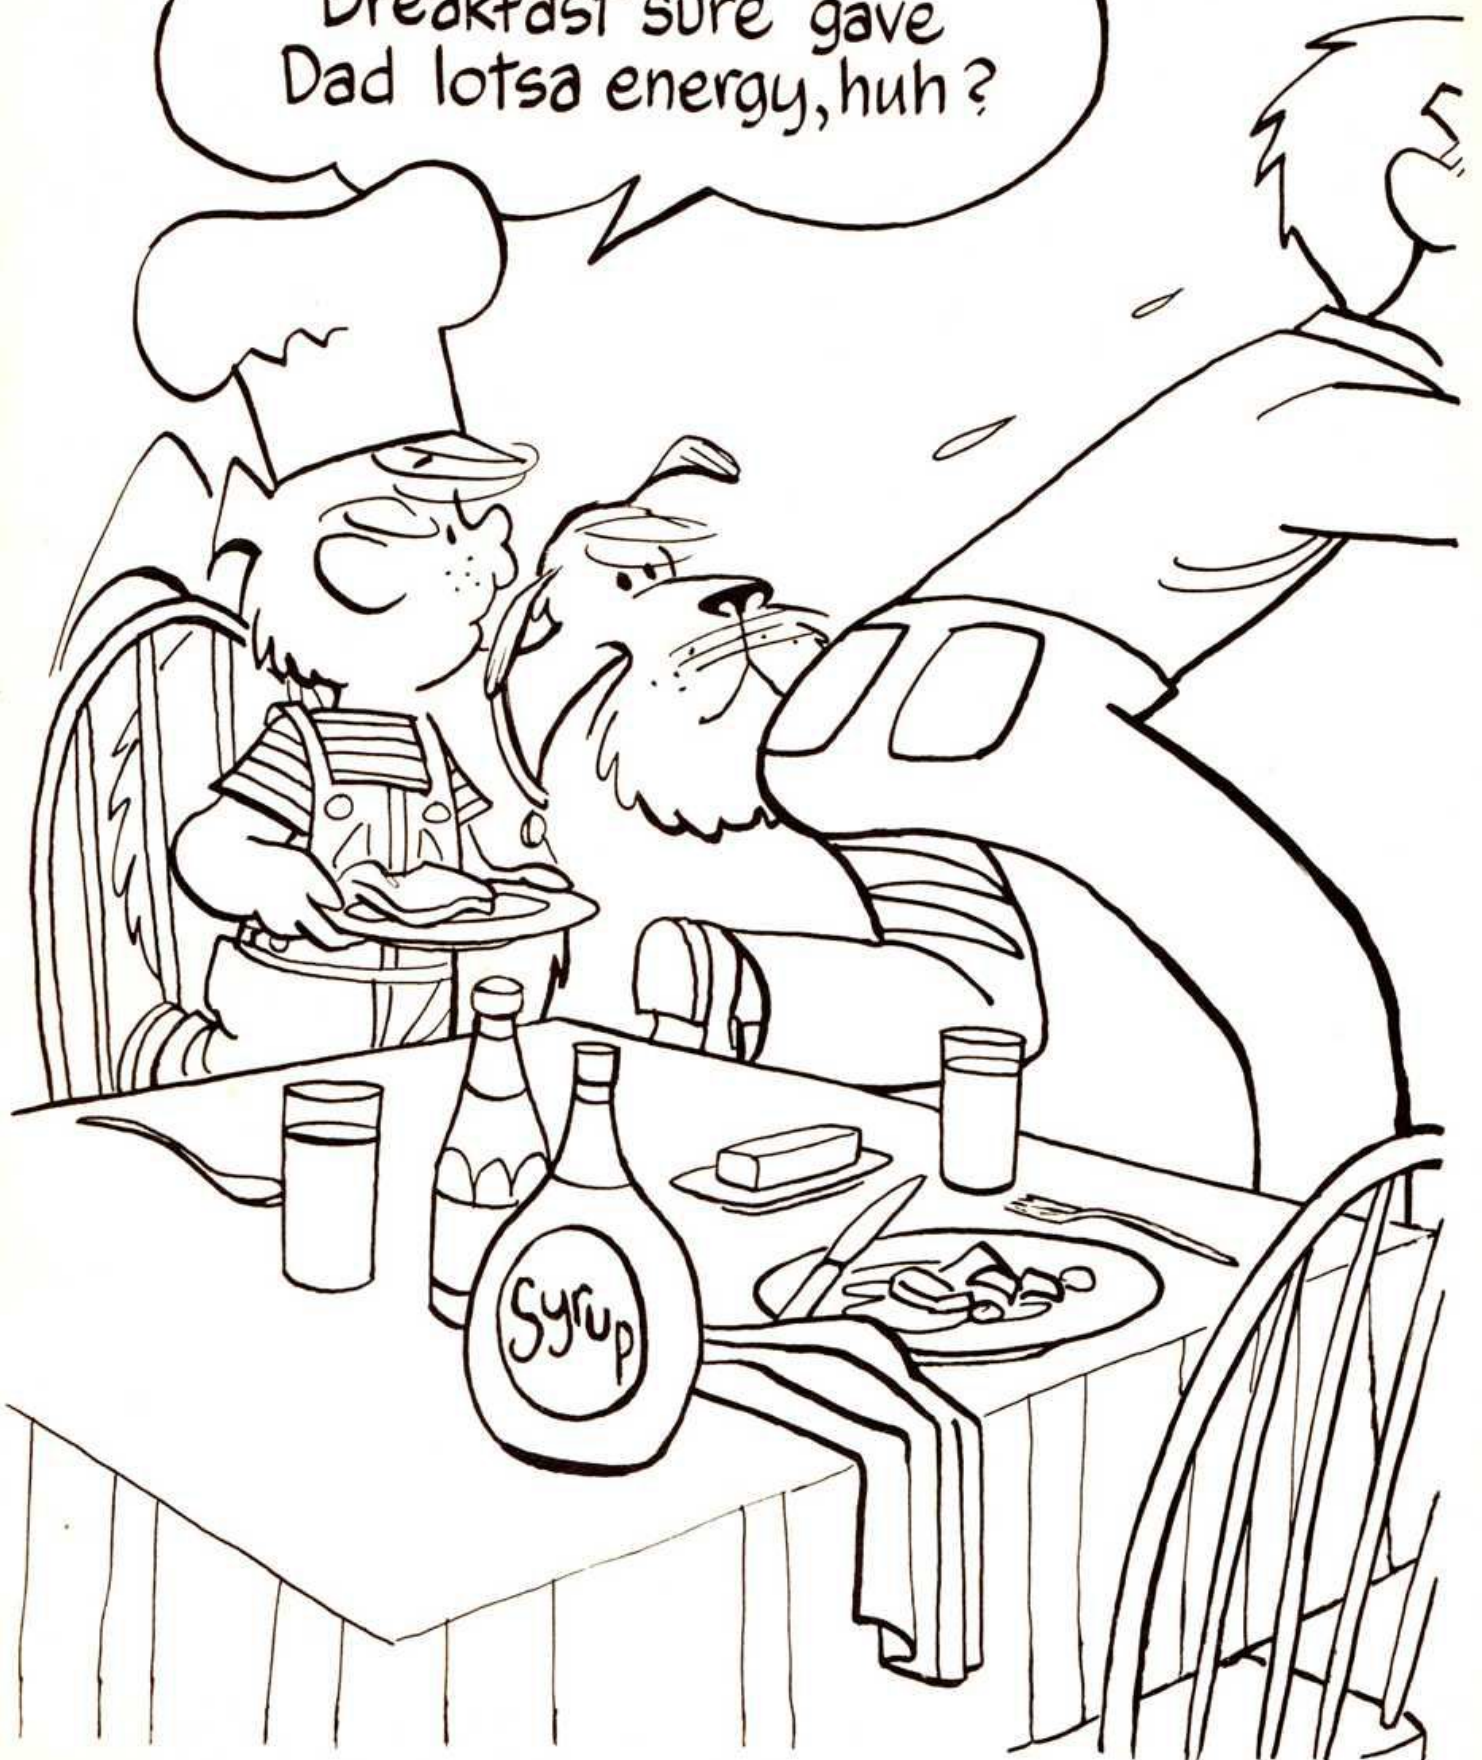

Dennis makes a mess of breakfast.

Henry tries Dennis' breakfast.

Breakfast sure gave
Dad lotsa energy, huh?

It says here to use one cup of soap.

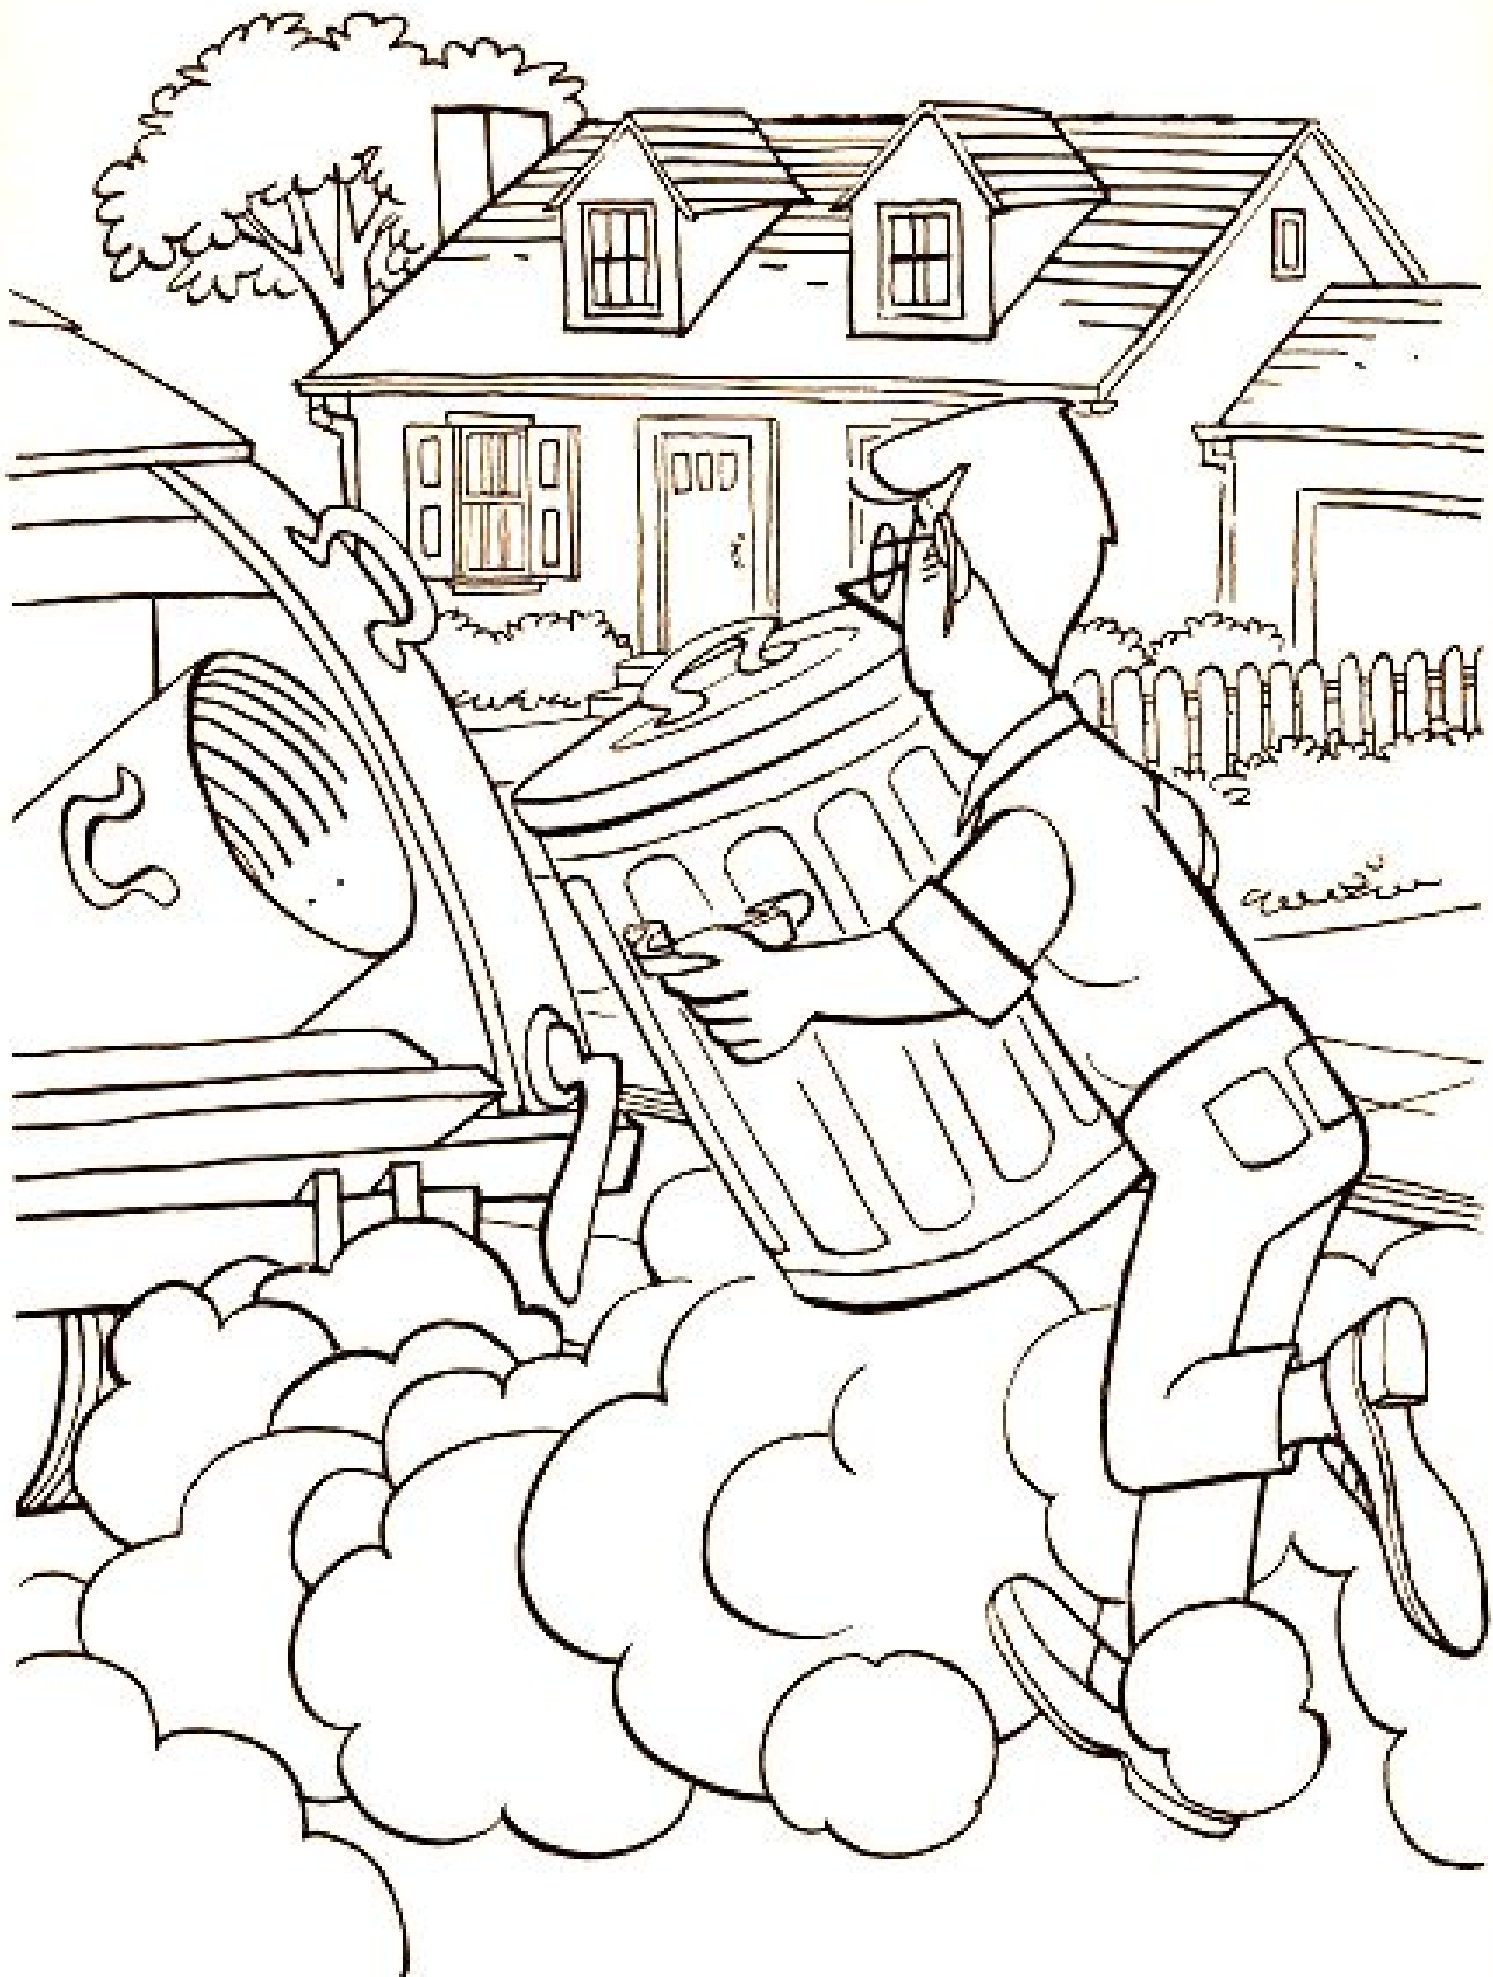

Henry and Dennis do the laundry together.

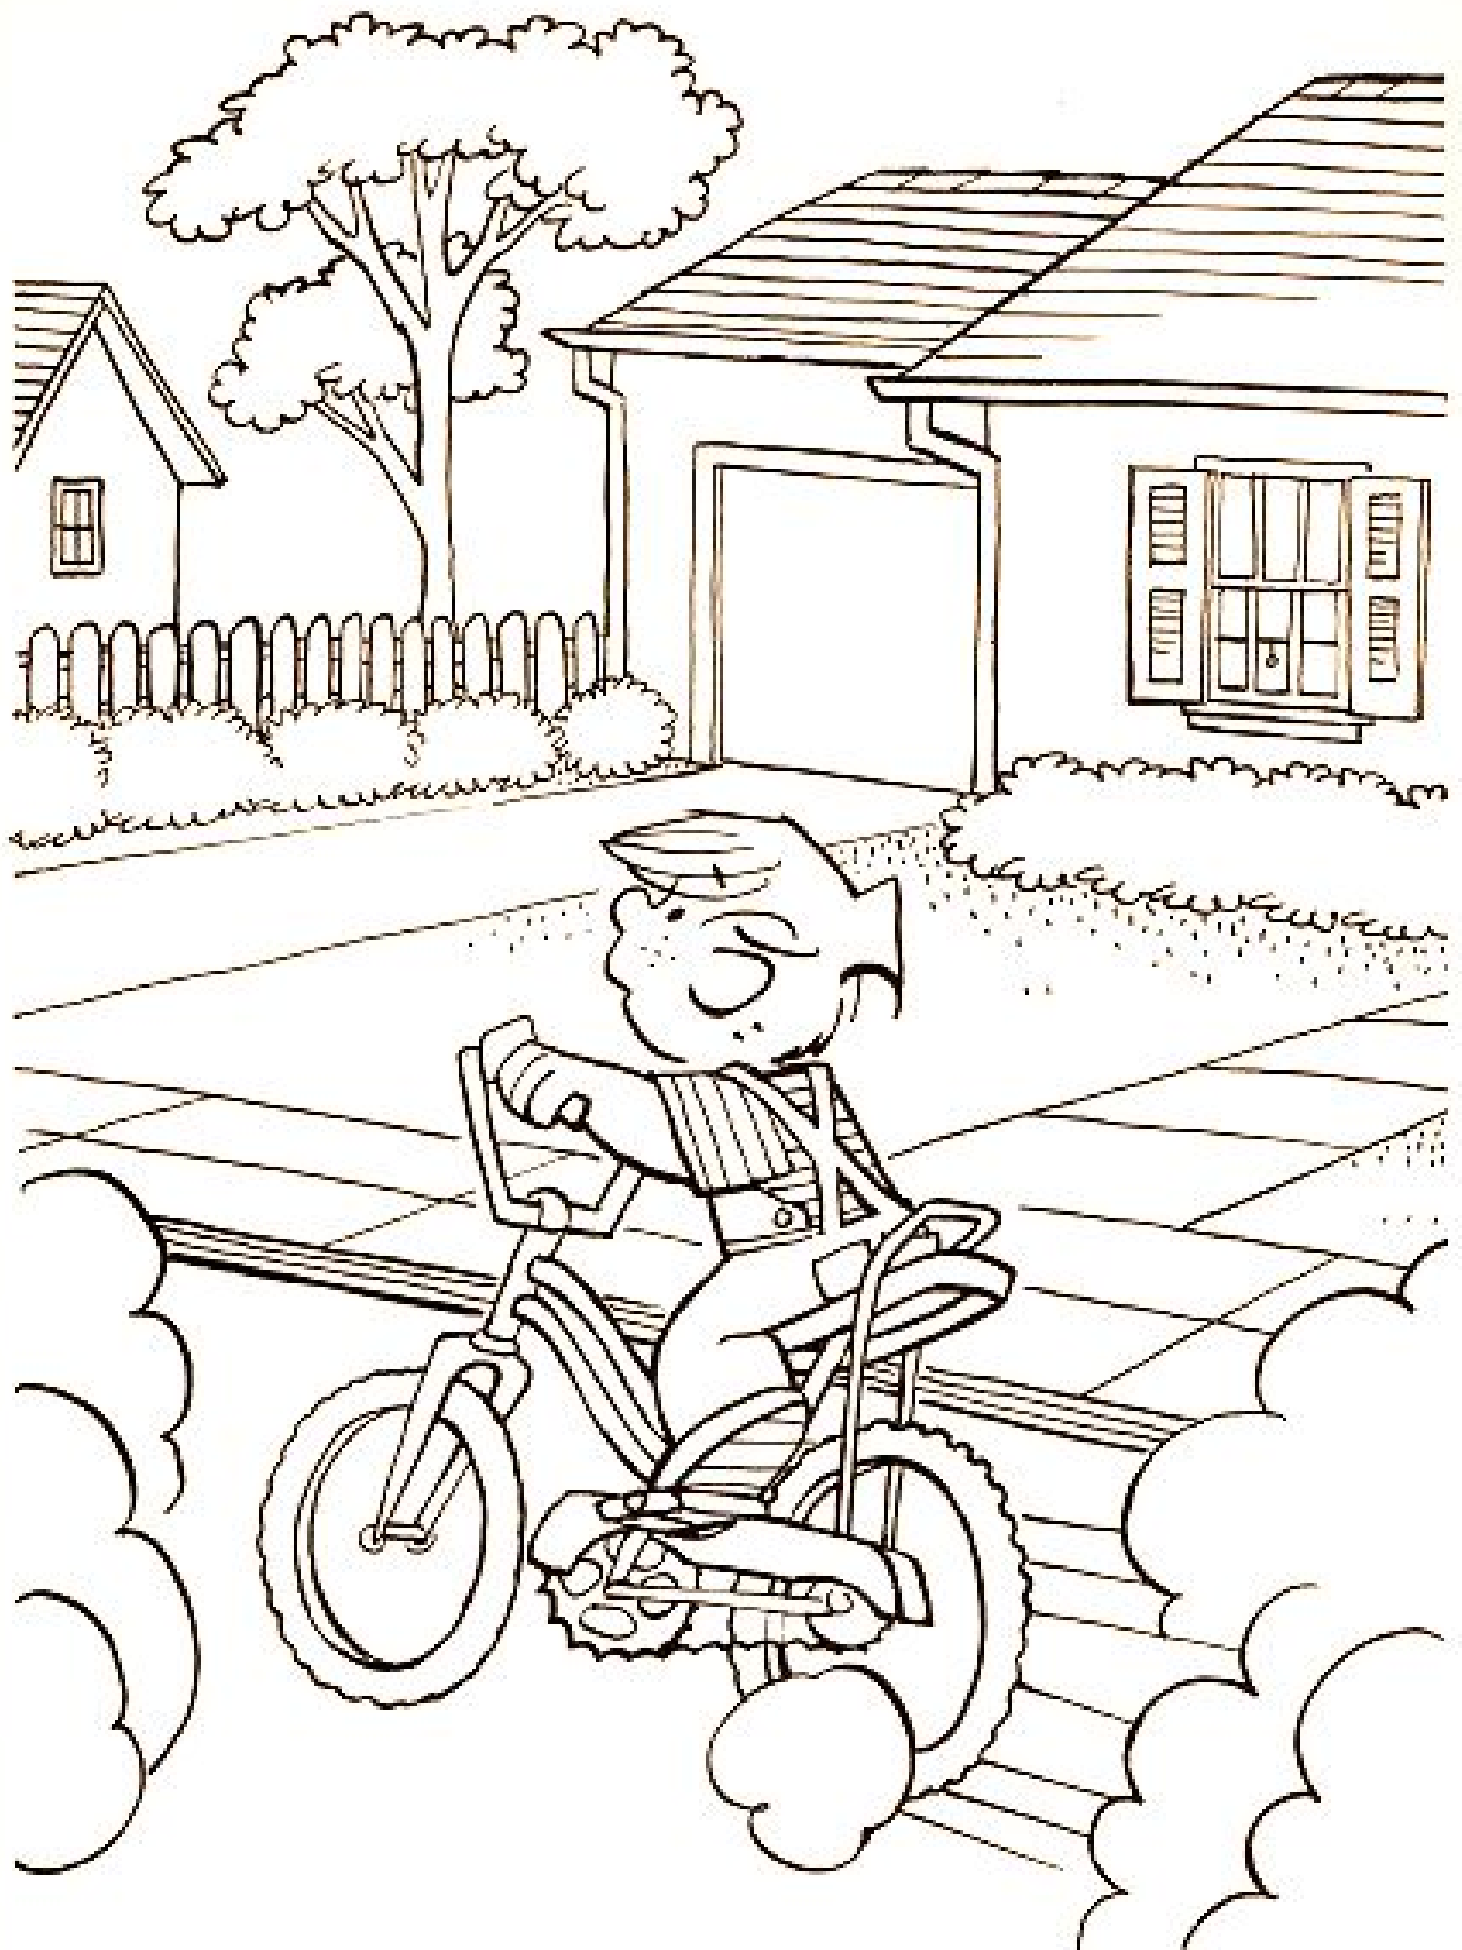

Oh-oh... I'd better put out the garbage before the truck leaves.

I think Dad said
one box should
go into the
washer.

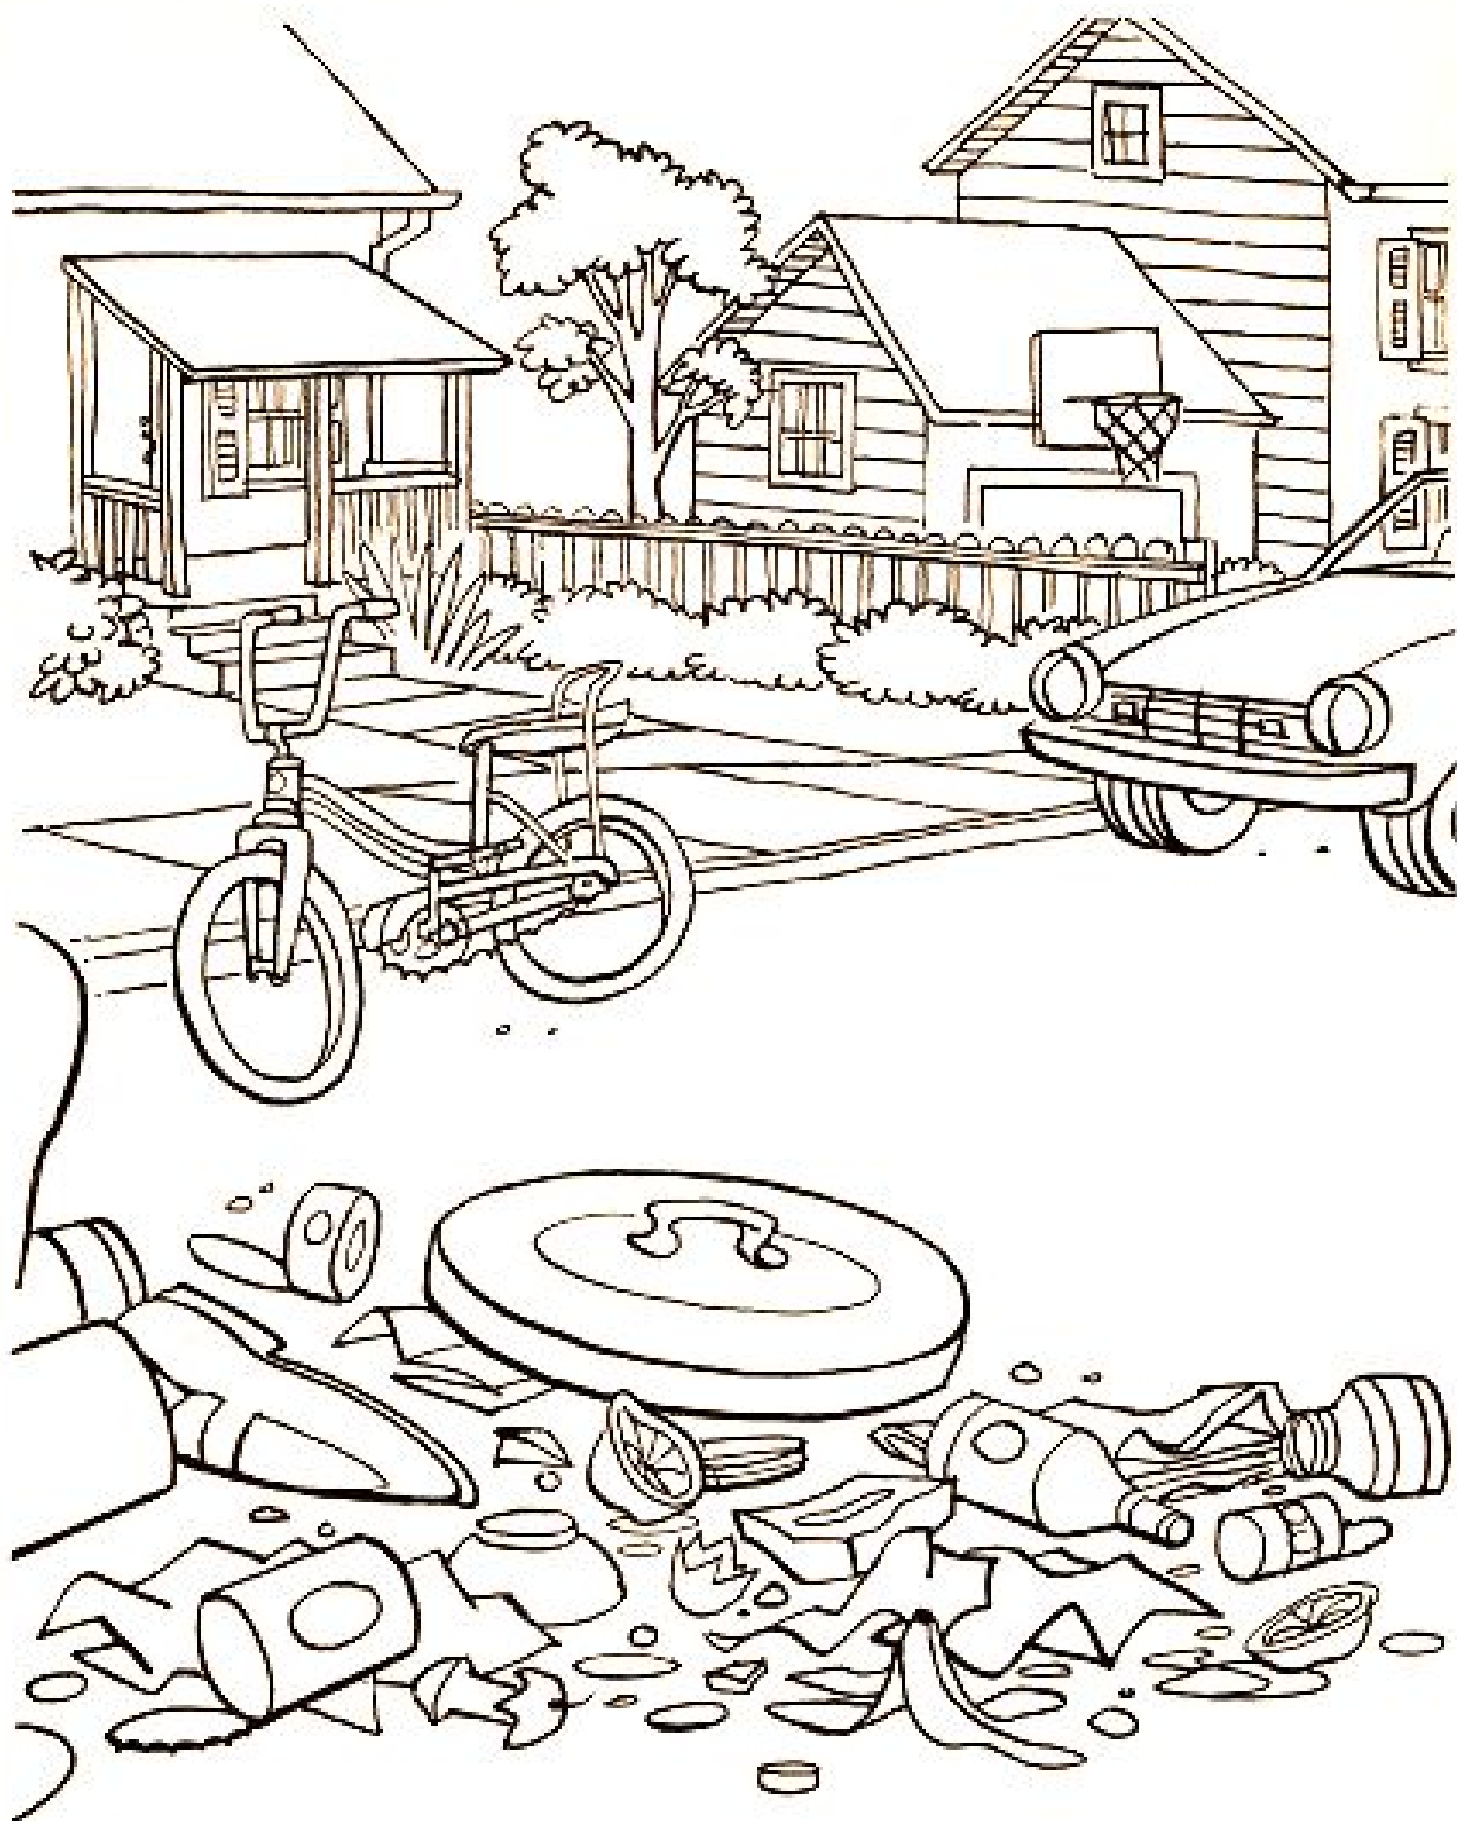

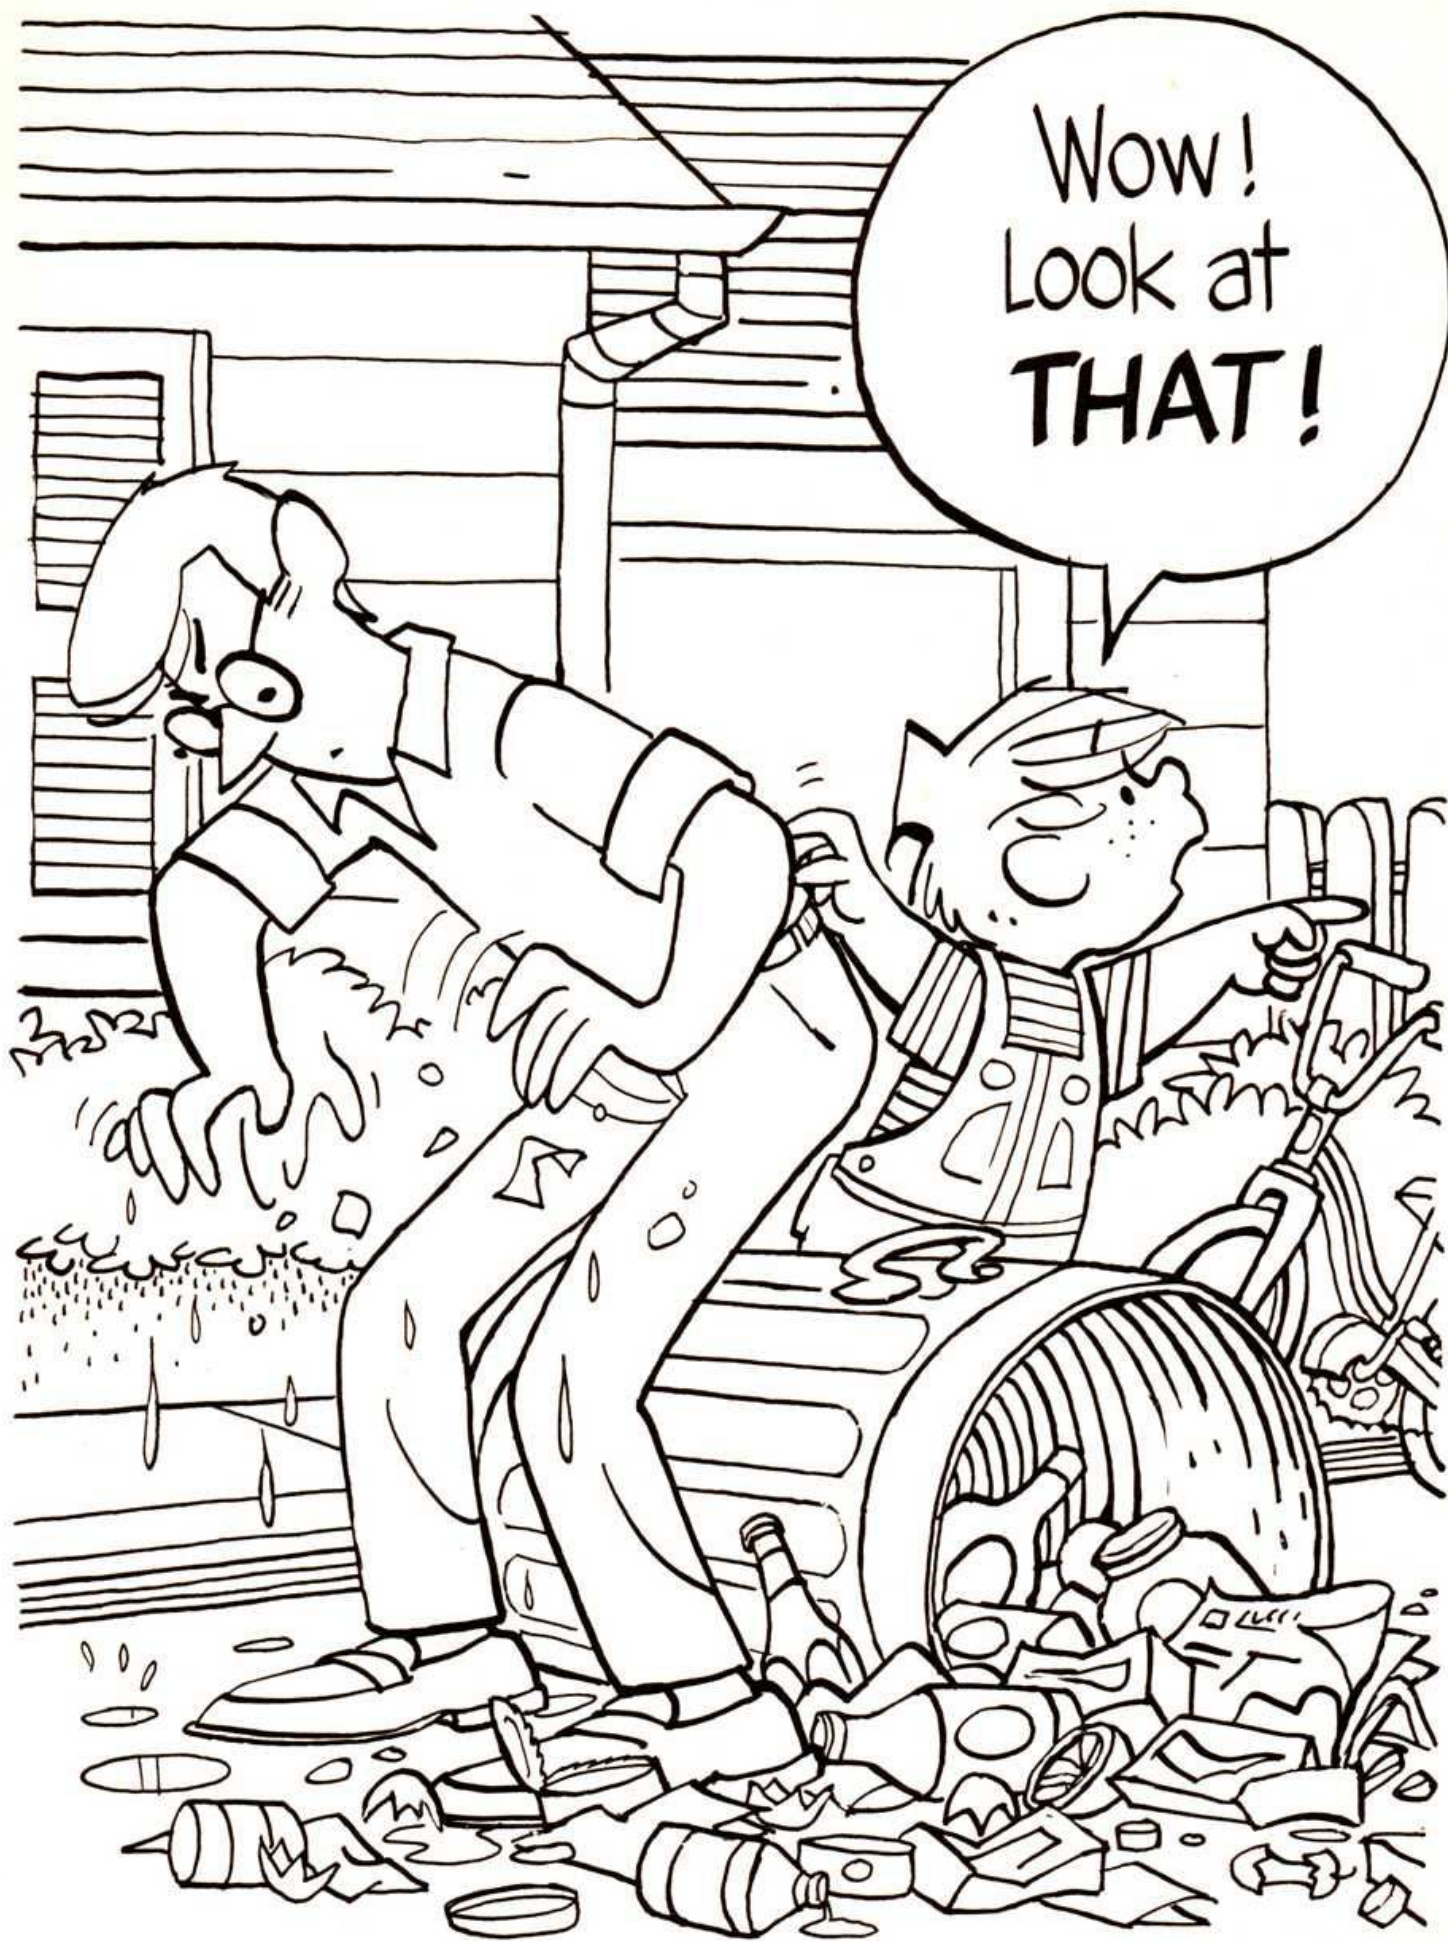

Dennis accidentally runs into his father.

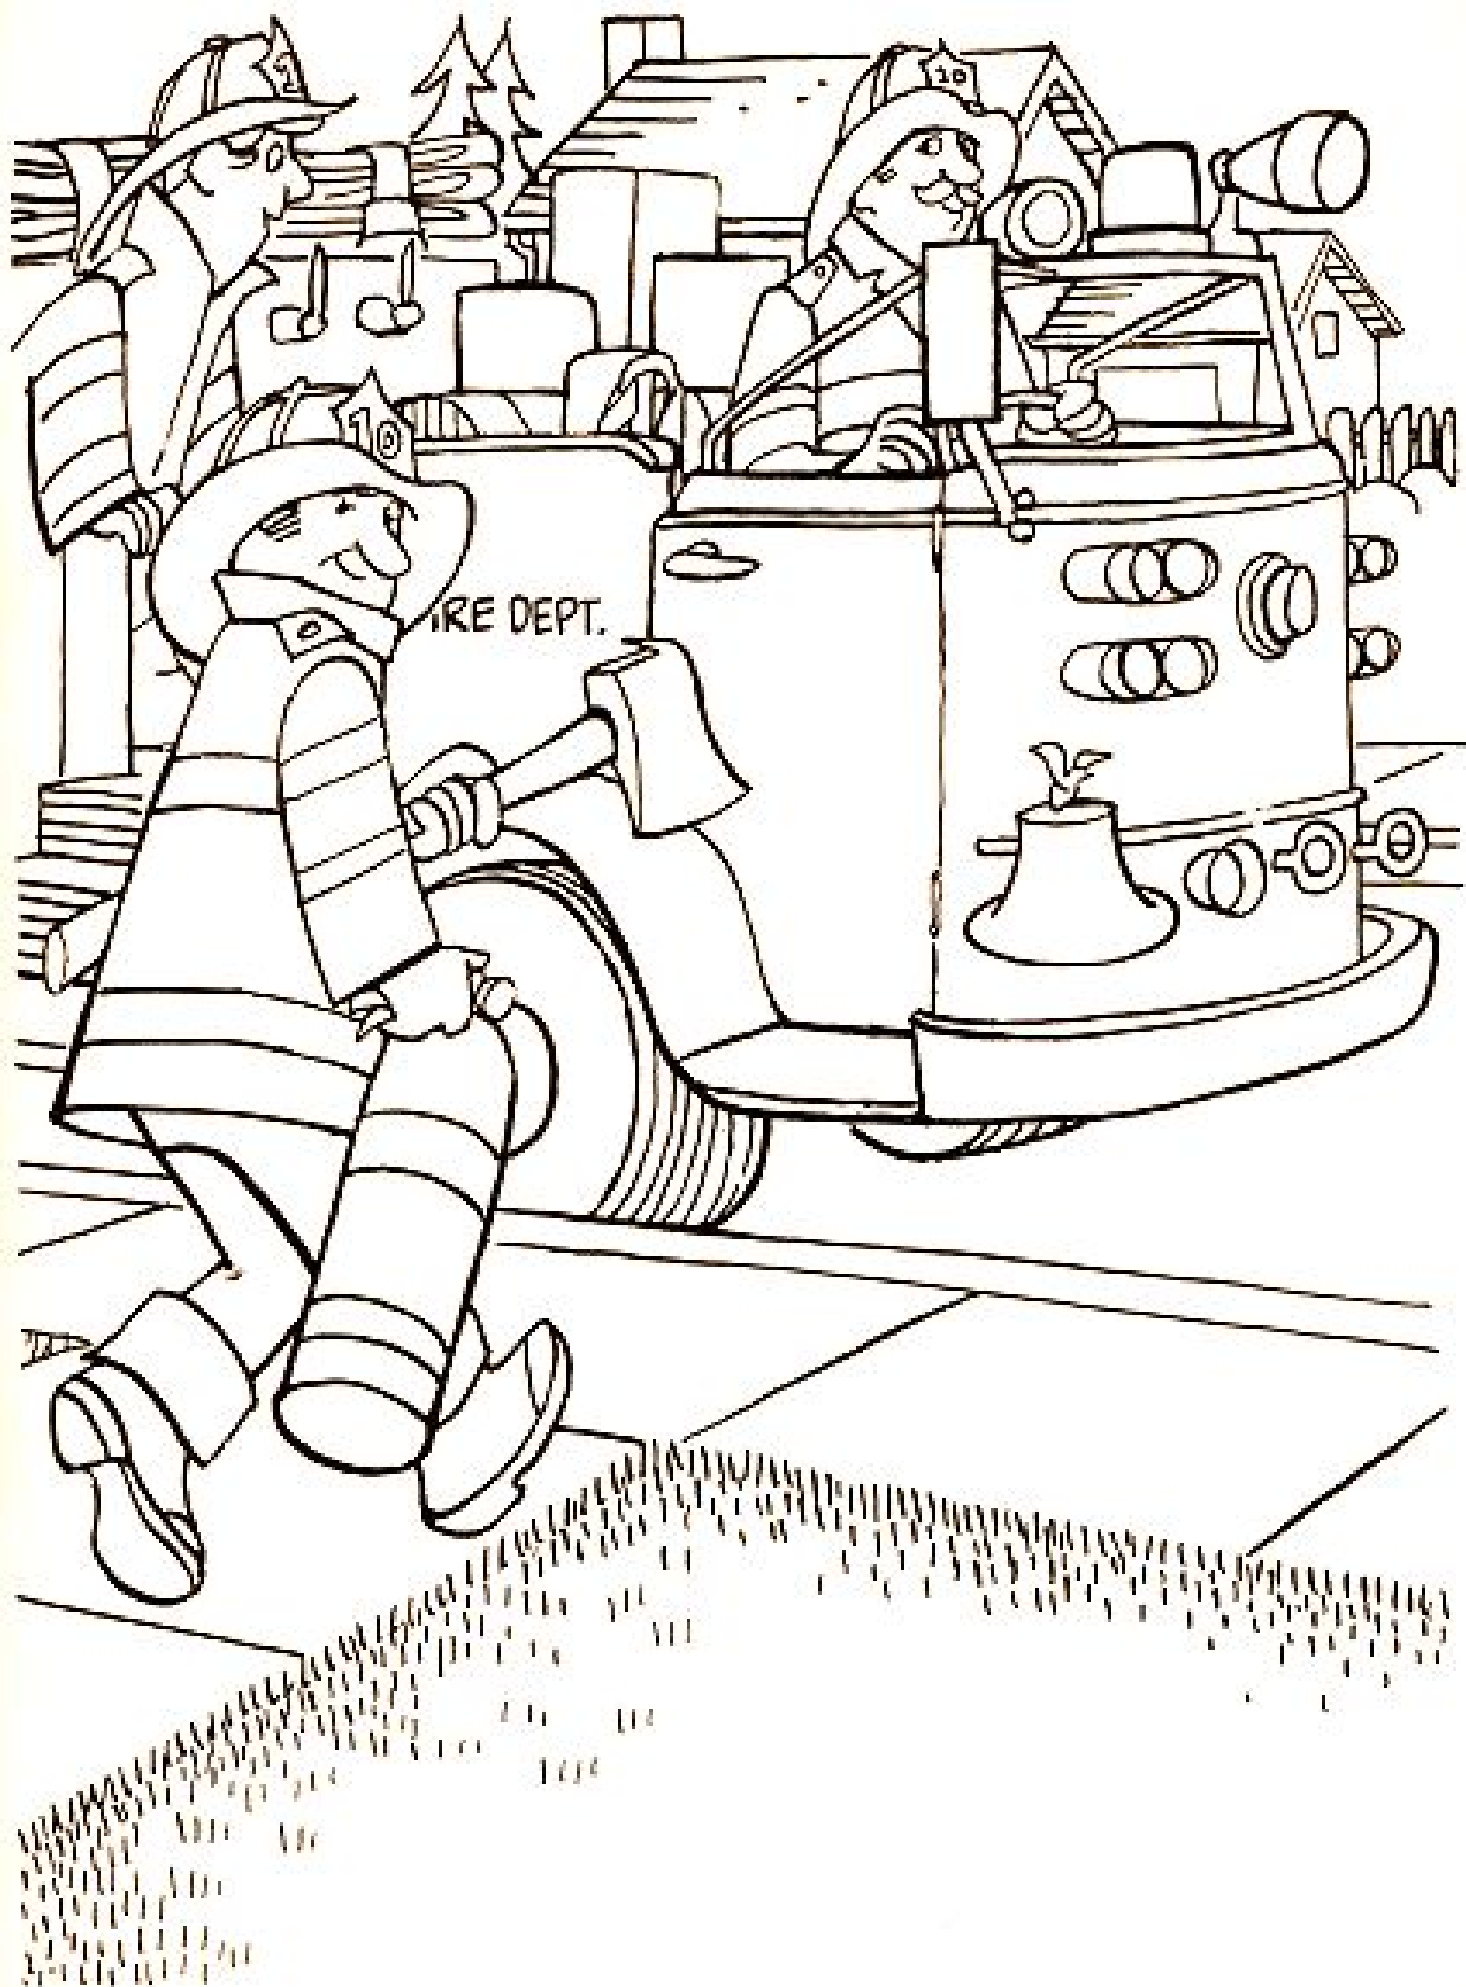

Wow!
Look at
THAT!

Somebody call
EMERGENCY
QUICK!

Next time
call a
plumber,

Boy, do we have
a mess to
clean up!

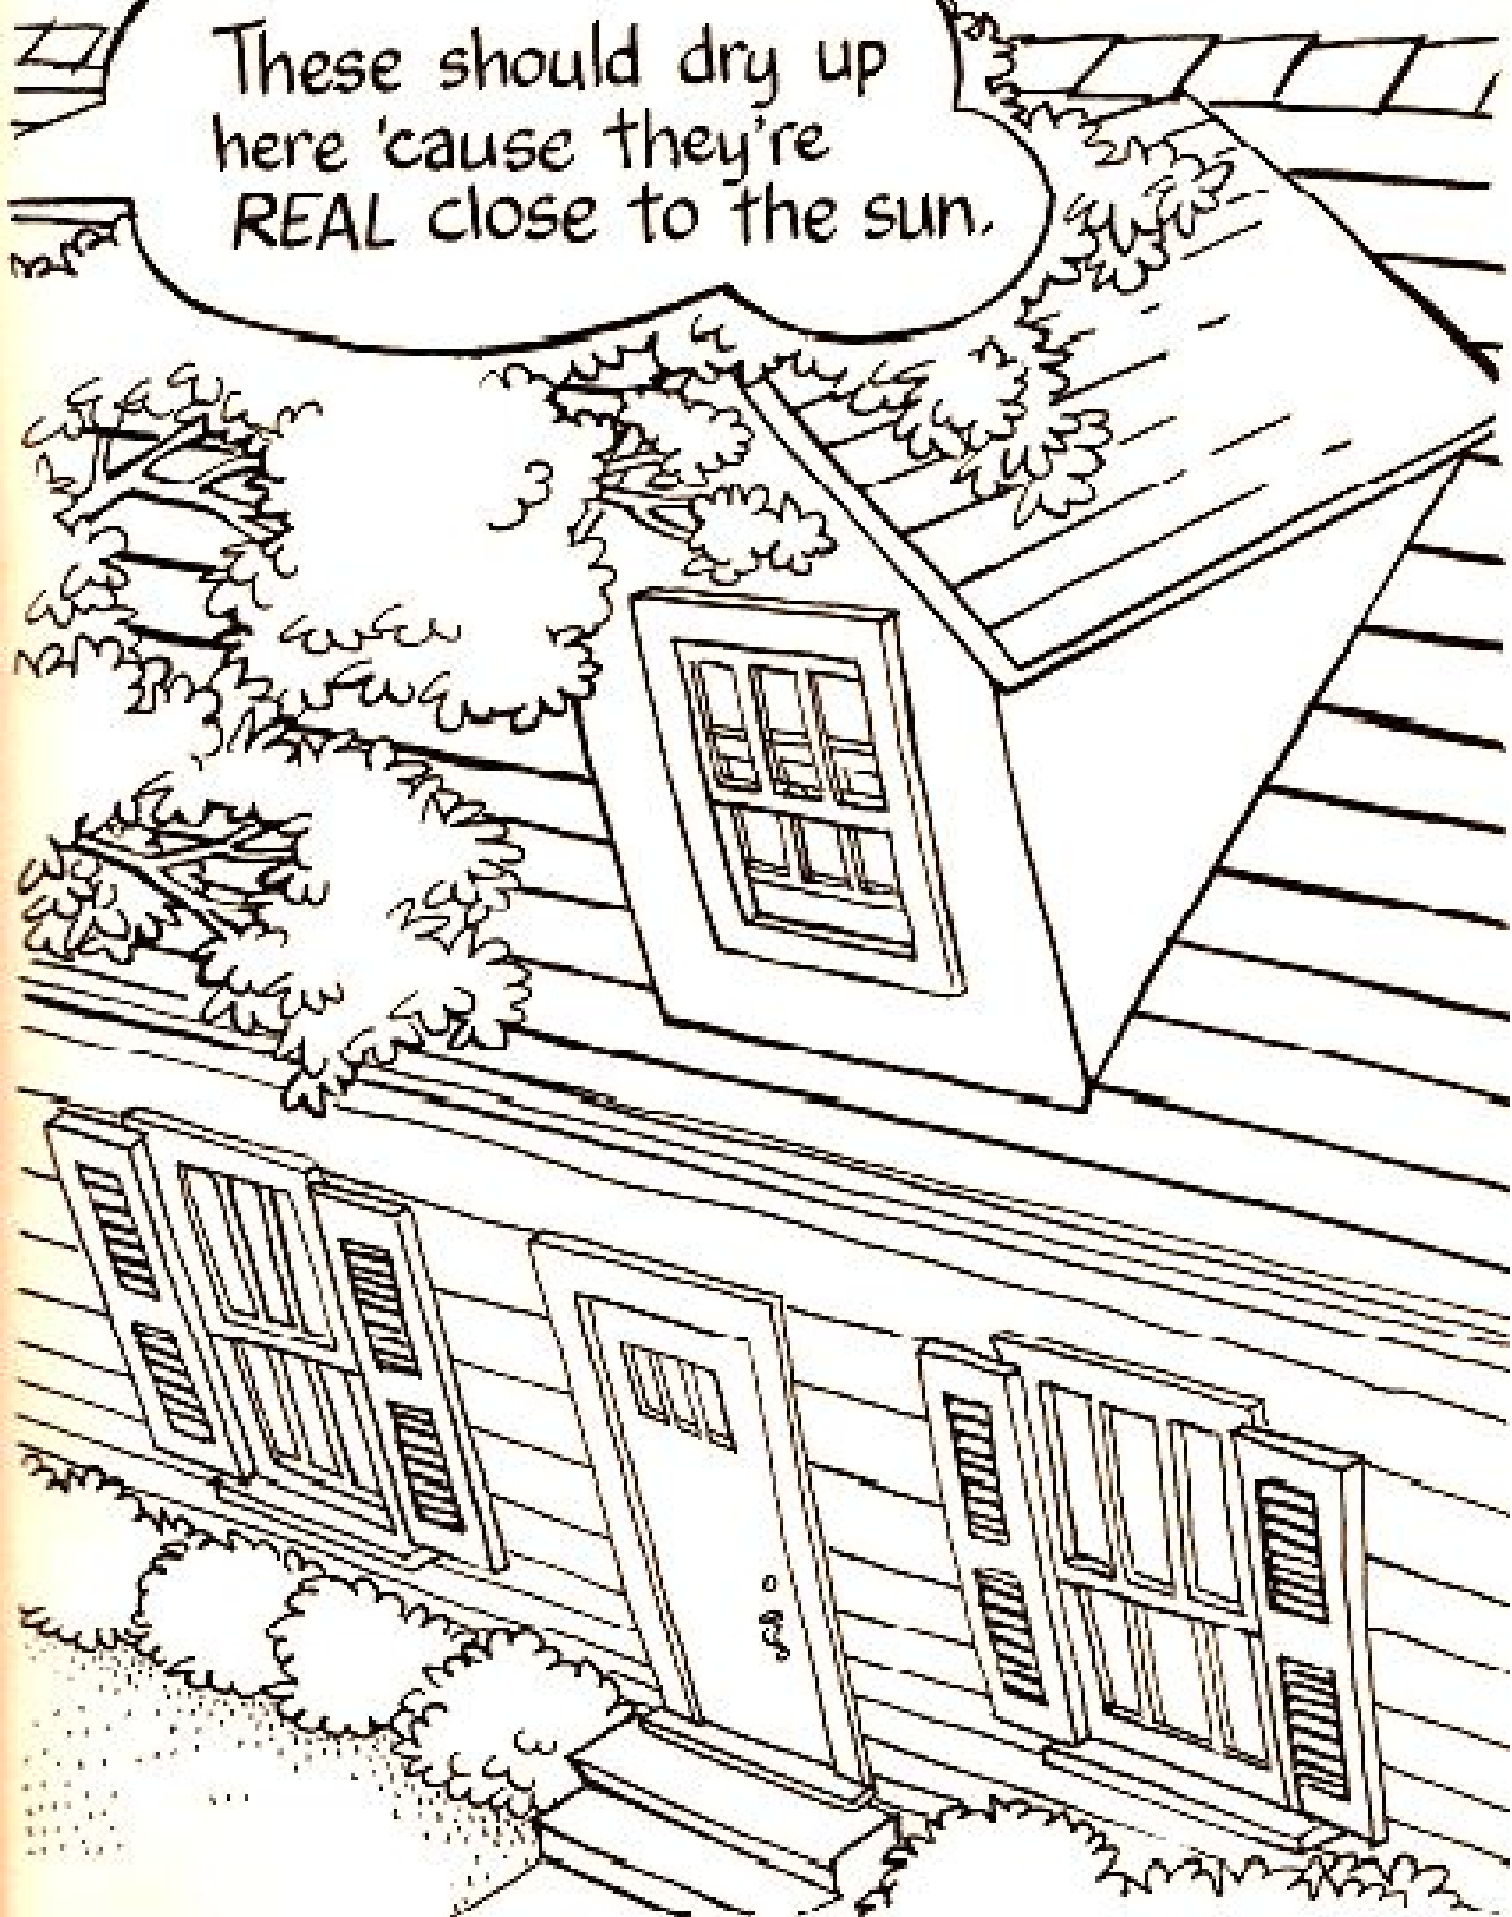

We'd better hang these out to DRY!

These should dry up
here 'cause they're
REAL close to the sun.

Ooops!

R-R-R-I-I-P-P-P-P

HANG ON!

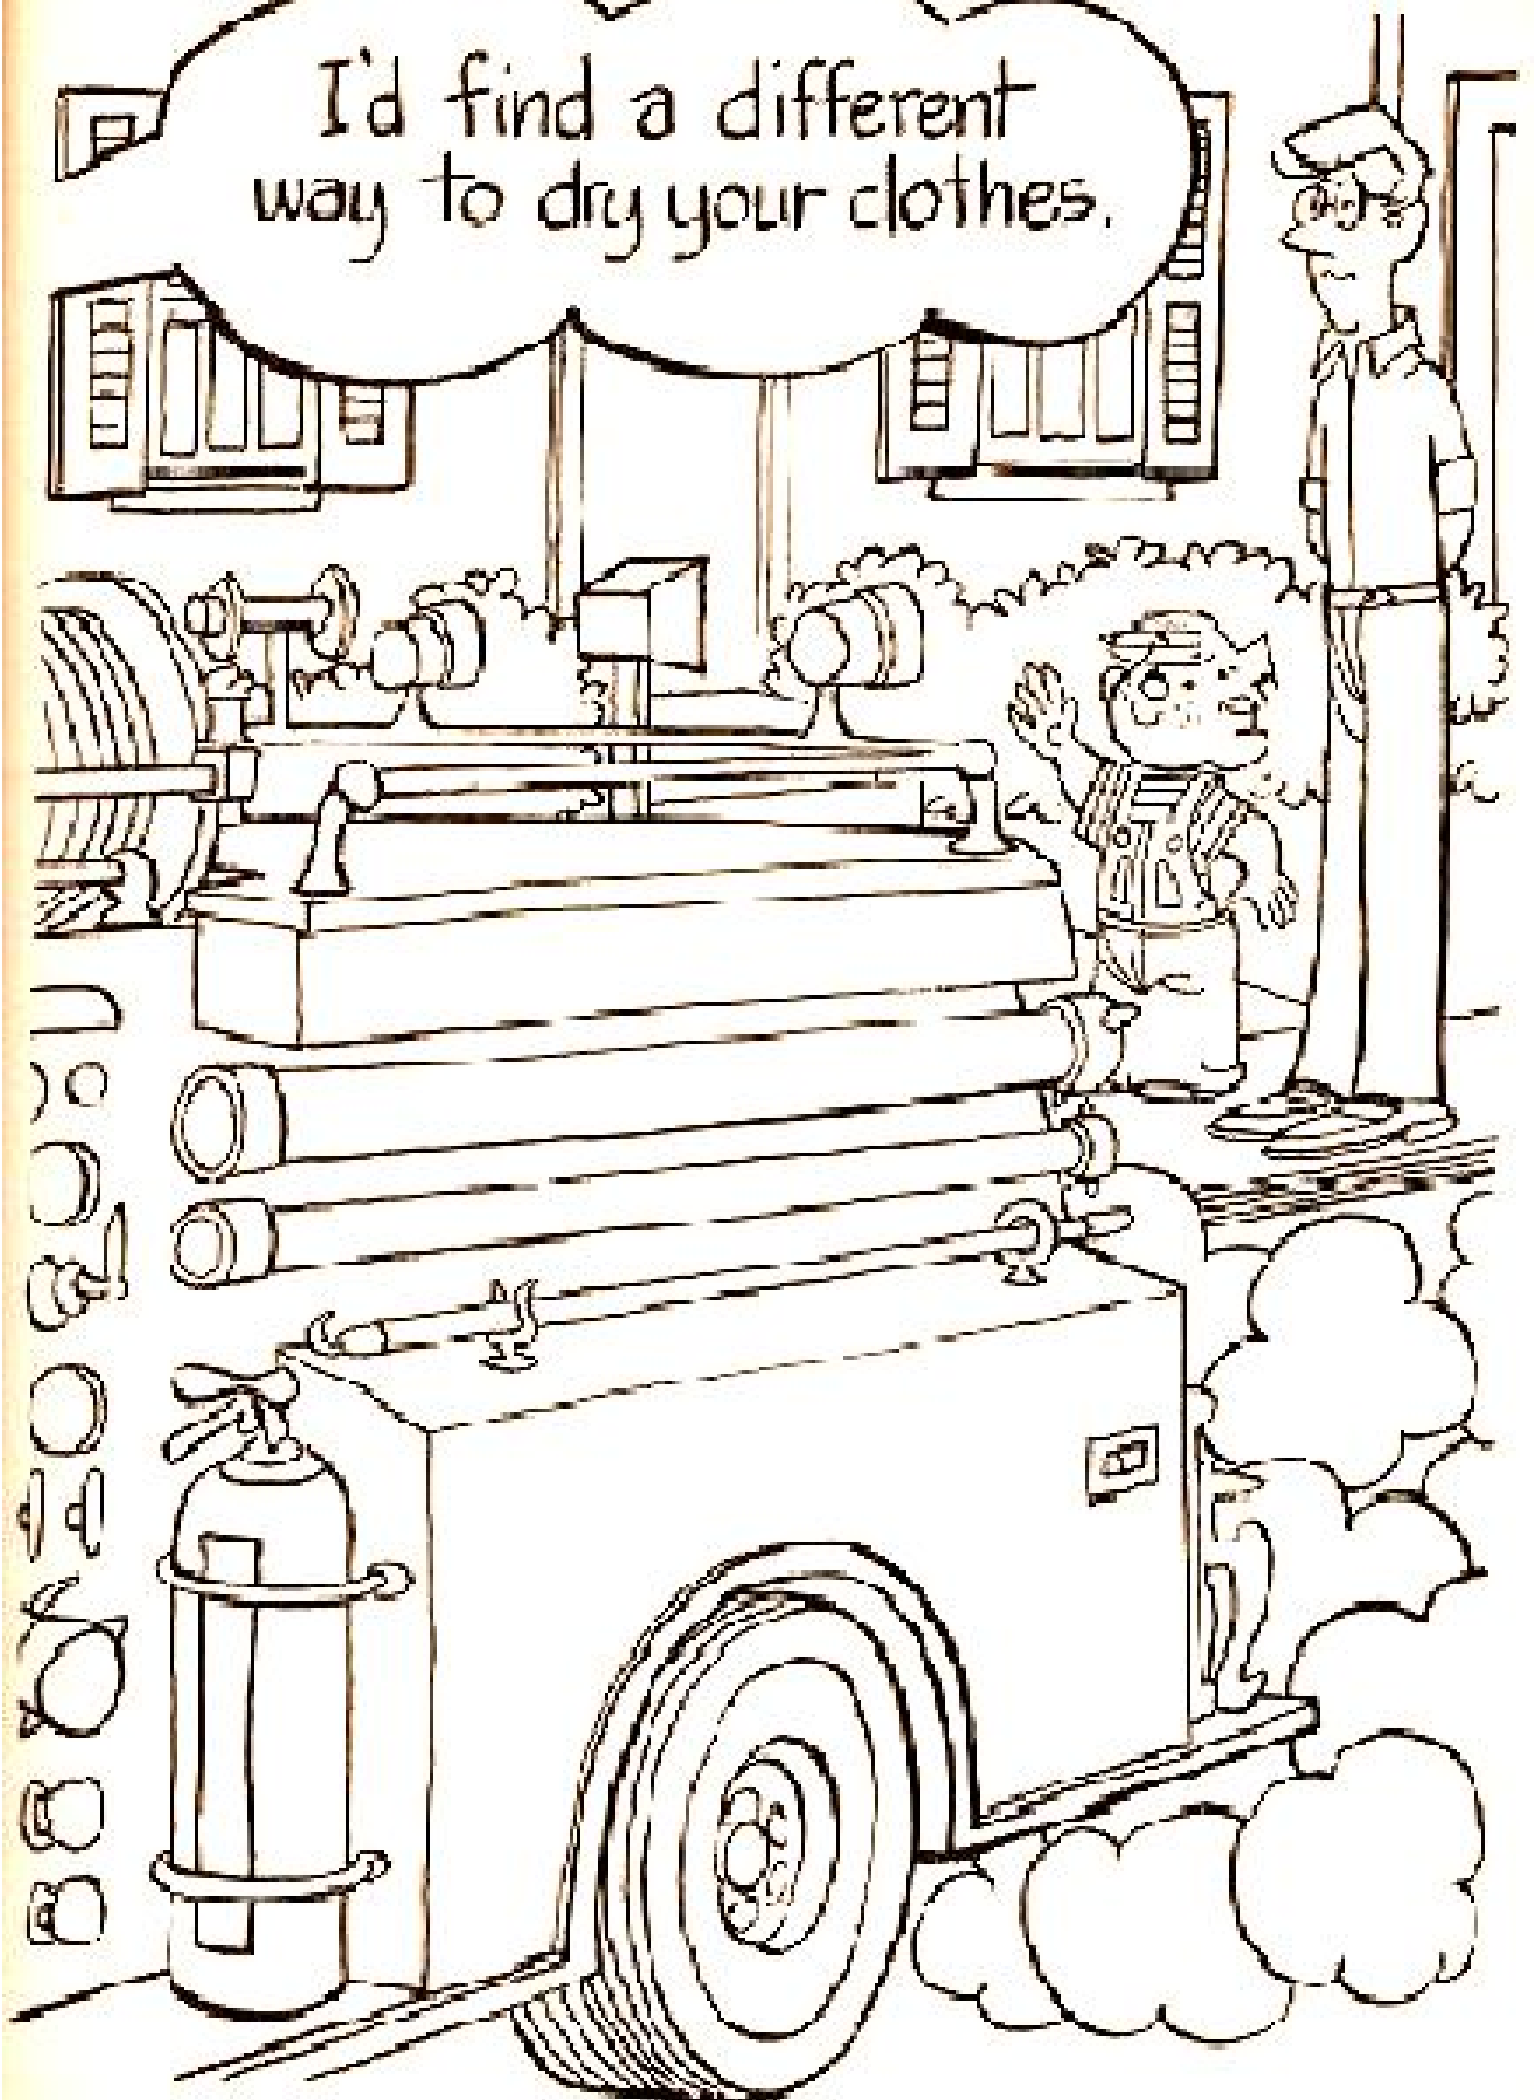

I'll get
help!

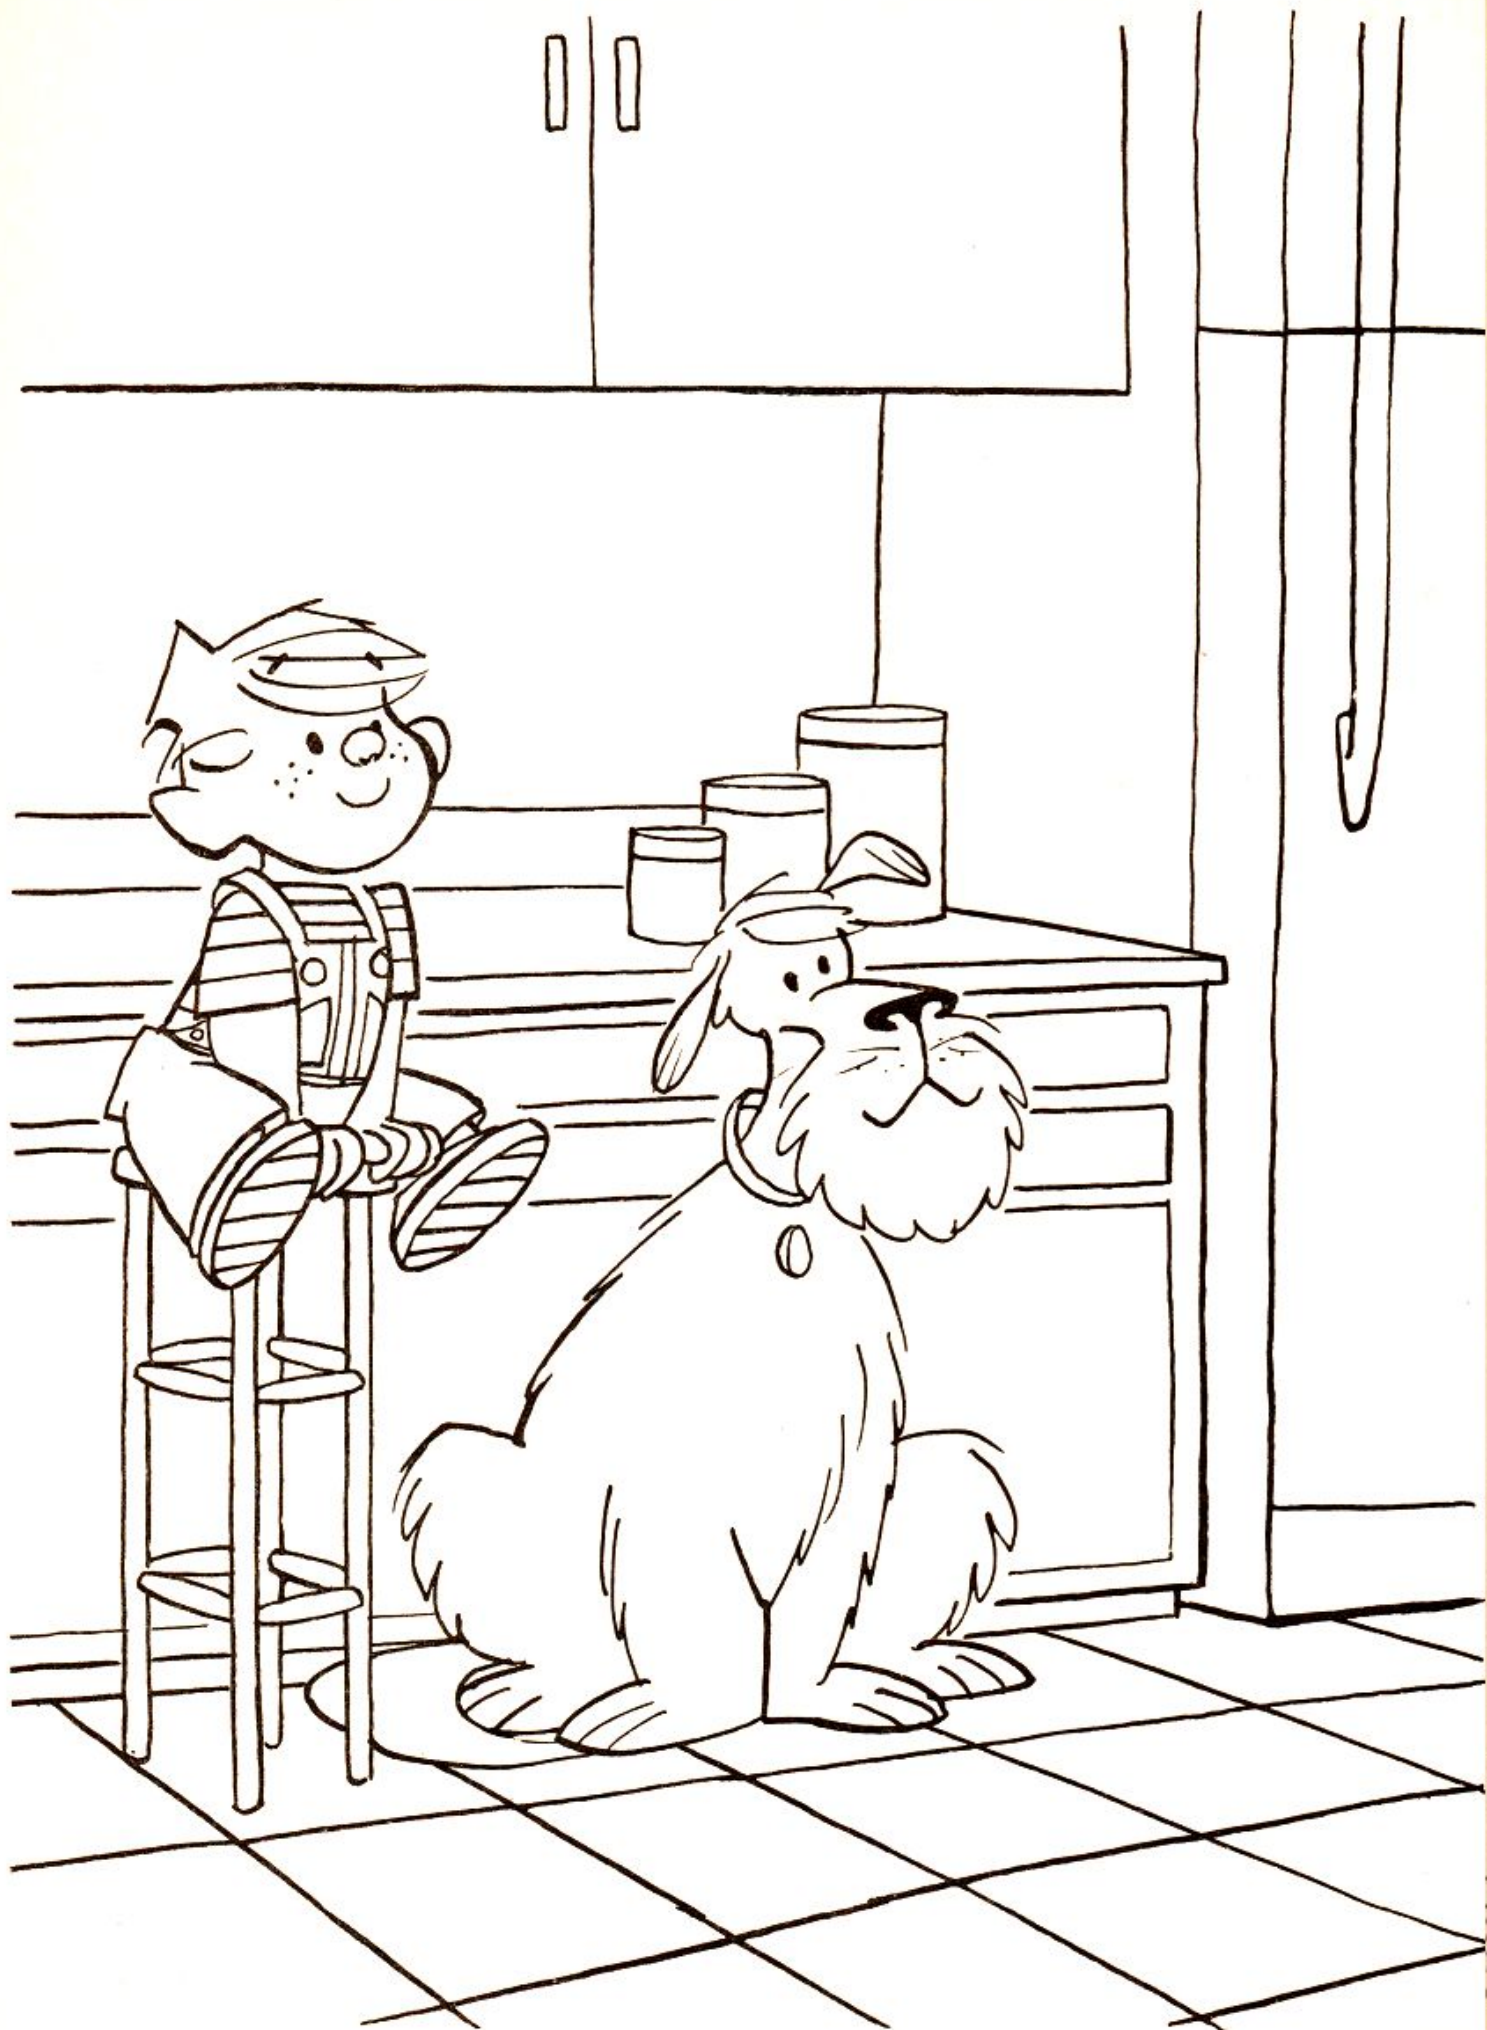

The fire department comes to the rescue.

I'd find a different way to dry your clothes.

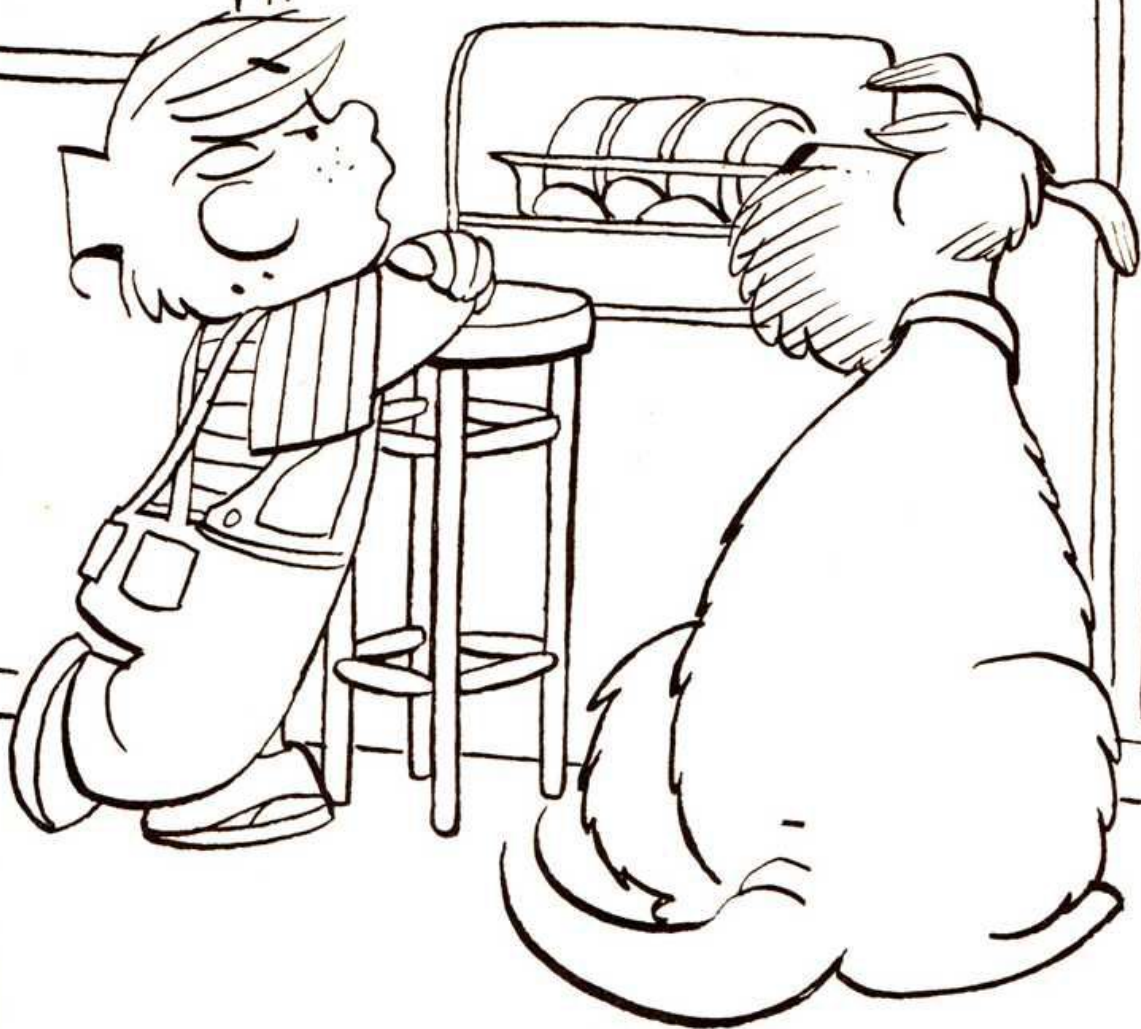

This roast should be done by six o'clock.

You can watch the roast
while I lie down.

This is boring.
Let's see if we can
find something
else to do.

Let's surprise Dad
and clean up this mess
before he wakes up!

We've got to get this stuff out of here so we can mop the floor.

Meanwhile, the roast burns while Henry sleeps.

OH NO!

I believe this is yours,

Looks like
all your furniture
is on the front
lawn.

Thank-you, officer.

Dennis and Henry quickly clean up.

Anything exciting happen today?

Oh, just the usual.
